Address: 337 Regal Drive, Abingdon  
Price: 400.00 \$

I need some advice - I have the complete set of the dinner ware include cup and saucers. I see on eBay that some people are selling individual pieces or just salad plates, etc. Prices seem to vary. I would prefer that someone buy the entire set and if you want to sell individually or sets on your own. I don't want to hassle of packing, shipping, etc. Maybe someone who already has a strong eBay or Amazon presence.
